Vocal

Ah, the magic of singing! Come along and revel in the vocal variety of songs and arias from the 1600s to today, (and perhaps a few surprises as well!!) You'll love it.

Open Vocal

Come on a captivating journey as we hear over 35 arias throughout one very music-filled day. Three finalists will be chosen to progress to the Gala Vocal Finals concert. What better way to stave off the winter blues than a day of singing?

Instrumental

With only 10-25 minutes on stage to wow the audience and adjudicator, this section is jam packed full of bite sized performances on a variety of instruments (piano, violin, cello and flute, to name a few). With no age limit or geographical restrictions the competition is sure to be red hot.

Young Instrumental

No renditions of “chopsticks” or “heart and soul” here! In this uplifting one-off concert, come and watch these outstandingly talented and seriously committed young performers as they reveal their skill and dedication to their craft.

School Ensembles

Try cheering on your school from a padded seat, in air conditioning and with no need to slip slop slap. Ensembles of up to eight players from schools will astound you with their ability to work together to perform with vibrancy and panache. You'll remember it always!

Open Instrumental

Relish hours of sumptuous music by our elite instrumentalists as over thirty performers from five countries vie for one of only three places in the Gala Finals Concert. Not only hear some of your favourite instrumental works, but also witness the blooming of some future instrumental masters.
